ADE BRANCH MEMORANDUM 508.7  
Amendment 3

April 5, 1955

To: All ADE Field Activities Stations

From: R. W. Morgan

Subject: Financial Reporting Procedure

I PURPOSE

This amendment is to establish a new procedure for stations which submit Form ADE 8-32 for Indemnity Claims payable from the Vesicular Exanthema Allotment.

II REPORTING PERIOD

Commencing with the current reporting period, Form ADE 8-32 covering Indemnity claims payable from the VE allotment will be submitted on a monthly basis rather than a bi-weekly basis. This procedure supersedes instructions contained in VE Letter 52-3, par. IV, dated August 21, 1952.
